Notice Concerning Revision of Numerical Targets of the Medium-term Management Plan

FUJITA KANKO INC. (hereinafter referred to as the “Company”) hereby announces that the numerical targets for fiscal year 2019, the final year of the medium-term management plan FUJITA PREMIUM VALUE CREATION 2015, which was announced on February 13, 2015, have been revised as follows:

1. Numerical targets for fiscal year 2019

(Billion yen)

	Prior to revision	After revision
Net sales	88.0	76.0
Operating profit	5.3	2.7
Ordinary profit	4.8	2.7

ROA (ordinary profit/total assets)	4% or more	2.5% or more
ROE (profit/net assets)	10% or more	6% or more

2. Reason for the revision

The Company has been promoting its five-year medium-term management plan FUJITA PREMIUM VALUE CREATION 2015. In 2017, as the third year, or the halfway point of this plan, the Company reexamined the plan. While the Company made no major changes to the strategies, it reexamined the measures to steadily promote the delayed development of new businesses and other initiatives, and accordingly made the above revisions to the numerical targets.
