**【Notice】 Beware of Phishing Sites**

On Sunday, January 4, we confirmed that notifications were sent that direct customers who made reservations for our Kansai Airport Washington Hotel via overseas online reservation sites to phishing websites impersonating those reservation sites or our hotel.

We sincerely apologize for any inconvenience and concern this may have caused.

Please note that we will never ask customers to provide credit card information via email or messaging apps. If you receive any suspicious emails or messages, please be sure not to click on any links contained therein.

Examples of suspicious emails or messages:

Messages received via WhatsApp, SMS, or electronic mail

Requests to enter information under pretexts such as continuing a reservation or reconfirming credit card details

We are currently investigating the matter in detail.
