**Notification on Expected Recording of Extraordinary Income
(Gain on Sale of Investment Securities)**

FUJITA KANKO INC. (the “Company”) hereby announces that it has resolved, at a meeting of the Board of Directors held today, to tender and sell some of the ordinary shares of DOWA Holdings Co., Ltd. (“DOWA HOLDINGS”) that the Company holds, in response to the “Notice Regarding the Purchase of Treasury Stock through Off-Exchange Treasury Stock Purchase Transactions (ToSTNeT-3)” announced today by DOWA HOLDINGS.

Accordingly, we expect to record the gain on sale of investment securities as extraordinary income, as described below.

1. Reason for the investment securities sale

Based on the Corporate Governance Code, the Company has been comprehensively reviewing the significance and economic rationality of cross-shareholdings to determine the appropriateness of such holding. In the process, we have also been considering reassessing the number of DOWA HOLDINGS ordinary shares we hold. As a result of this review, the Company has decided to reduce holdings by selling some of DOWA HOLDINGS ordinary shares.

2. Details of investment securities sale

- (1) Details of sold investment securities: One security
- (2) Scheduled sale timing: February 12, 2026
- (3) Gain on sale of investment securities: ¥ 6,543 million (expected)

3. Impact on business performance

The gain on this sale of investment securities is expected to be recorded as extraordinary income for the three months ending March 31, 2026.

Furthermore, at the announcement of the consolidated financial results for the fiscal year ended December 31, 2025, the Company plans to present the forecast of consolidated financial results for the fiscal year ending December 31, 2026, which incorporates the above extraordinary income.
