

Godzilla Returns to Yunessun!!

‘Godzilla -0.0’ | Yunessun

— Collaboration Event: Special Baths, Menu, and Ticket Info Revealed ! —

October 10, 2026 (Sat) – January 4, 2027 (Mon)

Hakone Kowakien Yunessun, a popular Japanese spa park, will hold a collaboration event from Saturday, October 10, 2026, to commemorate the release of the new film Godzilla -0.0 (Minus Zero) (release date in Japan: Tuesday, November 3, 2026). The event will offer a variety of ways to enjoy the film’s appeal.

Admission ticket with limited-edition acrylic stand and a discount campaign for movie ticket stub

To coincide with this event, we will sell special tickets that include exclusive original goods. As a bonus, we will include an acrylic stand featuring the event’s key visual showing Yunessun’s official character “Hakoneko Boxappy” being carried off by Godzilla. Quantities are limited, so don’t miss out! We will also offer an admission discount to visitors who present a movie ticket for Godzilla -0.0 (Minus Zero) or other qualifying movie tickets.

Experience the power of Godzilla in a Godzilla-themed swimsuit area

In the swimsuit area, we will open a **special** bath inspired by Godzilla's atomic breath and install immersive wall decorations that make it feel as if Godzilla is attacking Yunessun. Stand face-to-face with the powerful image of Godzilla and experience scenery that draws you into the film. In the outdoor "Finland Bath" area(Dry Sauna), we will hold a Godzilla-scale löyly and Aufguss sauna event using a specially designed blower. Inside the facility we will also hold a puzzle rally featuring "Chibi Godzilla," a popular character from the movie theater. Families and small children are welcome — come enjoy this event together.

Limited-time collaboration menu — enjoy themed food and drinks

We will offer special food and drinks inspired by Godzilla's black color and the blue of its atomic breath. Please enjoy these event-exclusive menu items.

What is Hakone Kowakien Yunessun?

Hakone Kowakien Yunessun opened in 2001 as an all-weather hot spring theme park. It underwent its largest renovation since opening in 2023, and celebrated its 25th anniversary on January 1, 2026. Making full use of abundant hot spring water from its own source and its expansive grounds, it will continue to develop a variety of offerings as an integrated experiential resort facility. As a must-visit spot when coming to Hakone, it aims to enliven the entire Hakone Kowakien complex and contribute to the revitalization of the Hakone area.。
